BY COLONEL MACKENZIE.

Discover the real value of NOW, and set upon it, and your fortune is made for time and cleruity. Gold prophets and the world's philosophers often come to the same conclusions become free tweller which form the leading strugge that it is question of the such and affect. This is remarkedly so in discussing on the question of the such above of time. Men of Gold have made assertions on this subject that have been cherred to the echo by the experience and testimony of the greatest thinkers among tree. Plongs with me as a preliminary into anso or two proofs on this point. When you have read them pull up for 300 seconds of time, and put one or two questions to your own indigenous as 10 the price you put upon the flying moments which come and go, but never retorn.
